1. A big drop Friday dashed hopes for a second straight weekly gain. The NYSE composite fell 1.5%, S&P 500 1.2%, Dow 1% and Nasdaq 0.8%. Volume climbed across the board. Volterra Semiconductor (VLTR), Adtran (ADTN) and EMC (EMC) staged breakouts from bases. Intel (INTC) Q2 earnings signaled solid enterprise demand, but results from Google (GOOG), Bank of America (BAC) and Citigroup (CO) disappointed.
