Geoffrey Kreiger has been named chief financial officer of TippingPoint Technologies Inc., an Austin-based developer of network defense systems. Kreiger was previously CFO of DTM Corp., a manufacturer of prototyping equipment that was sold to California-based 3D Systems Inc. last year. Michael Mullen has been named vice president of business development of VTEL Products Corp., an Austin-based manufacturer of PC-integrated videoconferencing systems. Mullen previously worked in senior sales management positions for Ascend Communications (acquired by Lucent Technologies Inc.) and Mitel Corp. He also worked for VTEL from 1990 to 1995.

Carolyn Stegall has been named vice president of Stewart Title Austin Inc. She has been with the company since 1998 and was previously manager of the north branch. She also has served as a commercial escrow officer.

commercial escrow officer.
