

F5, Adtran: Baird Downgrades On Cap Ex Concerns

Barron's Blogs, 14:32, 16 December 2008, 228 words, By Eric Savitz, (English)

Robert W. Baird technology analyst Kenneth Muth today cut his ratings on both Adtran (ADTN) and F5 Networks (FFIV) to Neutral from Outperform, in both cases citing concerns about softening capital spending on networking equipment. Adtran: ...
