HUNTSVILLE, Ala. - (BUSINESS WIRE) - Feb. 11, 2005 - ADTRAN, Inc. (NASDAQ:ADTN) announced today that its Board of Directors has authorized the repurchase of up to 5,000,000 shares of the Company's common stock. This plan will be implemented through open market purchases from time to time as conditions warrant.

This latest authorization follows the recent completion of a 4,000,000-share repurchase plan announced in April 2004.

ADTRAN, Inc. is one of the world's most successful network access equipment suppliers, with a 17-year history of profitability and a portfolio of more than 1,300 solutions for use in the last mile of today's telecommunications networks. Widely deployed by both carriers and enterprises, ADTRAN solutions enable voice, data, video, and Internet communications across copper, fiber, and wireless network infrastructures. ADTRAN solutions are currently in use by every major domestic service provider and many international ones, as well as by thousands of public, private and government organizations worldwide.

This press release contains forward-looking statements which reflect management's best judgment based on factors currently known. However, these statements involve risks and uncertainties, including the successful development and market acceptance of new products, the degree of competition in the market for such products, the product and channel mix, component costs, manufacturing efficiencies, and other risks detailed in our annual report on Form 10-K for the year ended December 31, 2003. Such risks and uncertainties could cause actual results to differ materially from those in the forward-looking statements included in this press release.
