Madtran Shares Felled By Soft Q4 Outlook

Barron's Blogs, 17:03, 14 October 2008, 154 words, By Eric Savitz, (English)
Adtran (ADTN) shares sold off sharply today after the telecom equipment provider offered a soft outlook for the fourth quarter. Q3 results were fine: the company posted revenue of \$137.2 million and profits of 35 cent a share, in line with ...
